on of hostilities to lary the dead. He time a couple of Squires, his Guardian and his the charges of other roads constitute the controlling the Roman Catholics as "unworthy clizens." We shelly have no right at reas somessed too much of the ugly pranks of the Bu-consider them worthy of some things, though not unmercially than the faim mit him to reunite with worthy of others. We do not propose to dery them gious. Unloubtedly this is a very serious fall except at the expense of his personal honor and is political integrity. In his quarrel with the Demparty be has been right, and therefore has voting for or against them for office just as scratic party be has been right, and therefore has had a large share of public sympathy. Let him beware then of backshiding. If he gives away one to the vantage ground be has so gallantly won, he will find himself scorned by his new admirers and scoffed by his old associates. For him there is and scoffed by his old associates. For him there is o retreat-be has crossed the limbicon and harned crats and Abelitionists and fire-enters in no upper o retreat—he has crossed to a sheetaslly alienated from he leaguest he is affectaelly alienated from he Demos rate. party, if Mr. Buchanan is the extension with the teards and the advising our friends not to suppose them. Wa shall not stop to document them. pensent of the policy of that parts, and he can make or any of Bishop Spalding's other subord on terms with those he has denounced. They mult come up to his position. He cannot fall back upon Catholics consider themselves bound to obey irs without laying himself open to the imputation | ly Head of their Church in all matters of conscience theirs wanger ranged in a contest for prin-that be has not been engaged in a contest for prin-ciple but simply to and a few men to retain their contrary notwithstanding. I pon that subject, the places in Congress by repudiating the enormities of the Democratic party and withdrawing his favorities direct and searching interrogatories, will respond under his own name or under his exclusive size of its influences "for the sence." Lemma had the clavery question, so consumer to successed in it, in pro-cession and instructions. It is pro-ceed, and just actionment. Had the own pleases, and supported the own instructions, the great upon the country, is spite of all between the peoples as, made it is a pro-tor and the properties. from the pale of its influences "for the nence."

Thin is a very cool way of letting the culprits off. speaks, we shall listen. ent of them. We am gravely told for the fathlesaness of Mr. Buchanan! We have beard Col. lurney for months past denounce the President in every phase of invective for hi been told that the battle was fought for high princi-ple, and we have been led to believe that Col. Forple, and we have occurred as a gainst axecutive dictarget, was housed in his stand against axecutive dictarget, was housed in his stand against axecutive dictarget, and yet he now says: "Let us be done south off that are apply one was a great of Biblical knowledge.

The translator's qualifications for the great tash has undertaken at d thus far performed are contained as a striking. We have long known as a striking. We have long known as a striking of the property of the great tash has undertaken at d thus far performed are contained as a striking. We have long known as a striking of the property of the great tash has undertaken at d thus far performed are contained as a striking of the property of the proper lection' Then great principles were in jeopardy, inn but the triumph of Mr. Douglas. THEATER -We are ever happy to announce the ning.

The Telegraph is the mailboat for Ciocinnati, and ning.

The Telegraph is the mailboat for Ciocinnati, and the return of Mr. and Mrs. Florence to our city, as thay always bring with them a budget of fun and extraordary powers to amase their andierces. They appear to night in three of their best piccas—(I'Plannigan and the faties Michievous Annie and the Irish Baron. The beauty and charming versatility of Mrs. Florence have established for her a great popularity, and her imitations of national peculiarity and her imitations of national peculiarity. The light is not soon stapped, and our information in the same are designed with great sweetness and dances like a solph—indeed she is the Kate Paragon of the stage; so near is she to the standard of "perfection." Mr. Florence base sings with great sweetness and dances like a solph—indeed she is the Kate Paragon of the stage; so near is she to the standard of "perfection." Mr. Florence to likewise a fine actor and universal favorite both on and off the stage; with all the humor of Baraey Williams chothes all the humor of Baraey Williams be is immeasurably superior to him is style, and perfectly free from that vulgarity with which Williams chothes all him characters. Mr. and Mrs. Florence claims the boot of having attracted the largest valued as they have some new pieces to produce in addition. Mrs. Florence claims the bonce of having attracted the largast endiences ever known in our theatre, and as they have some new pieces to produce in addition to their old repertory, we cannot doubt the success of their present engagement. When here last, in the middle of the panic and business they drew large crowds to witness their pleanant performances, and now with commercial confidence revived mothing can prevent their receiving substantial tokean of public appreciation.

Orleans. The case was decided in favor of the plaintiff in the Court of Admirativy, and appealed to the U.S. Circuit Court. tellined; and that there is a large deficiency in the
tellined; and that there is a large deficiency in the
tellined; and that there is a large deficiency in the
tellined; and that the large deficiency in the
tellined; and that the large deficiency in the
tellined; and that the large deficiency in the
tellined; and the large deficiency in the
tellined; and the large deficiency in the large deficiency in the large deficiency in the
tellined; and the large deficiency in the large defici

spects over and above all losses accounted for. The commissioners further represent that they believe commissioners further represent that they believe large same of money have been paid to bank note detectors in New York to induce them to severely the bills as to give them currency and an enhanced and fictitions value to the capital stock. That are made the connection and such as the conne and fictitions value to the capital stock. That according to a memorandum furnished by the cashier there has seen paid \$83.66, as follows: Monroe \$3.66, Dye \$166.67, Taylor \$133.33, amm partine \$500 more, which was added to the engraver's bill, which accounts for the bill as it stands. The casher, E. L. Houghton, also states that Rumaey (the first owner of the bank) agreed to pay those detectors \$1,000 "not to blow the bank."

Left to the State on either side to make the connection entirely across the continent. To make the connection entirely across the continent. Or exhaus the same partine demonstrated by the successful operations of the Overland Mail Co., Texas has siready provided foreign the continent. California would doubt'ess make provisions to connect at its Southern limits. Such views, and others to considered as pertinent, will doubtless to submitted in the President's message. The President has no Swamp Land via Rahmoad Grants — Altorney General Black, at the request of the Secretary of the Interior that he would give his opinion on the subject, has decided that the exampland grant made to Arkansas by the act of Sent. 28, 1850. e.

on.-The Mechanic is the oldest fire company in the city. The introduction of steam engines and a pay dapartment has alone away with their services.

proved melbod of registering specu of fairbod prices. Nouth Warlick, of Chambers Court-House, Ala. For improved spring bed lottom.

HEMP.—The Express, at Lexington, Mo., bne the following in regard to the bemp crop:

We hear it said that the crop is over-roited and considerably damaged by the heavy rains. Prices have been well maintained for the week, the market closing firm at \$70 to \$50 cash and time. The latter figure was paid within the week for one lot.

A dispatch of Friday evening says: Herker is one Golden Periodical Pills for Females.

[From the N.O. Pleayune.]

Two Weeks Later From the Securiship Gen. Rusk, at New Orleans, from Brazus Santiago 11th inst., brought \$67,812 in specie.

The Brownwille Flag, extra, of the 10th inst., in relation to Mexican midira, has the following:
The news we have received this week from our naighboring republic, though undetailed in its par liculars, is neverthelest interesting. It seems that Gen. Blanco, of the Liberal ormy, with 1500 men, attacked and entered the city of Mexica, ulturality to within one block of the capitol. Zulonga made an imposing resistance, land lost 460 of hit-Brobliers, besides a large number of wounded. The loss on the part of the liberals was countrality small. Gen. Blanco held his position for a few hours, and afterwards retired to Taunbaya, where he remained encamped till last accounts. The rity would have been completely captured by the Liberals, but the partisans within, upon whose movements depended the intended attack, were not presend to render any afficient sid. The 1 beautifures was one contended attack.

BY TELEGRAPH.

The New Orle as Picayane has a letter from the City of Mexico of the 26th alt. The writer Raported for the Louisv. lle Journal I'm Languera ia, Nov. 20 Americans volunteered, and with them he fought his way through the robbers on the road. The following

are extracts from the letter:

The night lefore his deporture from here the government caused a great recandal before the door of his room in the botel, hy an attempt to arrest a person who was goiring off with him. The privon pursued at last paid \$300,000 for the privilege of commencing his journey, but I learn that it was only for the commencement, as he was seized at the onl of the swood day's journey and \$60,000 more are to be extracted from him.

I might give you a long sist of petty persecutions practiced upon Mr. Forsyth by the government previous to his departure. Sincusto his departure.

Sincusto attack of Blanco upon this city the jails are again been crammed. Persons who have here-Since the attack of Blunco upon this site the julis have again been crammed. Persons who have here-tofore managed to escape from imprisonment are hown in shrance, and must of them are the most harmless creatures possible, at least for revolutionary put buse. I am'took that the prisons are literally era, med. In one-mall room of 16 by 20 feet, I have lea n tolder 12 persons have been confined for the last week, without permission to leave the room to attend to the decea ies of life! And all of these ourse persons who are accustomed to general life. If this course not treatment be continued it is impossible. That many of them can survive long.

There are now in the prisons, enjoying the "guarantees" of this government, one American and one Englishman, where case have attracted the strenger. 29. K iks Ji 30. K to Qs B 3. NEW York, Nuv. 20
